Member: _____ **Date:** _____

Member: _____ **Date:** _____

Graduate Program Advisor: _____ **Date:** _____

Proposal Description:

Prepare a preliminary thesis proposal including:

Tentative title, the intent and purpose of the work, scope of the work, an indication of available literature or other resources to be used, the methodology or approach to be taken, an estimate or outline of tasks to be accomplished, an estimate of graphic presentations (if any) to augment the main body of the work, and a time/cost schedule which supports personal involvement and personal resources needed within one to three quarters.
